

FOR IMMEDIATE RELEASE  
Dec. 1, 2010

Contact: Jason Peterson, N.C. Turnpike Authority, (919) 836-4878

### **LANE CLOSURES ON U.S. 64 IN APEX BEGINNING THURSDAY NIGHT**

**APEX** — U.S. 64 just west of N.C. 55 in Apex will be intermittently closed for one hour periods overnight starting Thursday, Dec. 2, through Saturday, Dec. 4. Only one direction will be closed at a time, with the opposite lanes not affected. The closures will take place between midnight and 5 a.m. to allow a contractor to install formwork for the Western Wake Freeway bridges being built over U.S. 64.

For additional information about the Triangle Expressway project, which includes the Western Wake Freeway, visit [www.ncturnpike.org/projects/Triangle\\_Expressway](http://www.ncturnpike.org/projects/Triangle_Expressway).

NCDOT reminds motorists to watch signs for construction information, stay alert and obey the posted speed limit. Updated travel information is available by calling 511 or online at [www.ncdot.gov/travel](http://www.ncdot.gov/travel). In addition, NCDOT now offers travel information on Twitter (for more information, go to [www.ncdot.gov/travel/twitter](http://www.ncdot.gov/travel/twitter)).
