Contact: Jason Peterson, N.C. Turnpike Authority, (919) 836-4878

TRAFFIC SHIFT ON OLIVE CHAPEL ROAD IN APEX STARTS TODAY

RALEIGH — All lanes of Olive Chapel Road in Apex will be shifted onto a temporary roadway starting today. The traffic switch will take place between 9 a.m. and 4 p.m., with the new traffic pattern expected to be in place until this fall. This will allow the contractor for the N.C. Turnpike Authority's Triangle Expressway project to safely build a new permanent bridge over the Western Wake Freeway segment of the Expressway.

NCDOT reminds motorists to watch signs for construction information, stay alert and obey the posted speed limit.

For information about the Western Wake Freeway project -- a section of the Triangle Expressway, North Carolina's first modern toll road-- visit www.westernwakefreeway.com.

Updated travel information is available by calling 511 or online at www.ncdot.gov/travel. In addition, NCDOT now offers travel information on Twitter (for more information, go to www.ncdot.gov/travel/twitter). Another option is [NCDOT Mobile](#), a phone-friendly version of the NCDOT website. To access it, type "m.ncdot.gov" into the browser of your smartphone. Then, bookmark it to save for future reference. [NCDOT Mobile](#) is compatible with the iPhone, Android, and some newer Blackberry phones.
