**ROBERTS ROAD TO RE-OPEN IN CARY ON MONDAY**

**RALEIGH** — The N.C. Turnpike Authority will open the Roberts Road overpass in Cary to traffic at 6 a.m. on Monday, May 23. That section of Roberts Road between Jenks Road and Green Level Church Road has been closed since March as contractors completed bridge and road work over the Western Wake Freeway segment of the Triangle Expressway Project.

The new overpass is a 280-foot bridge and will accommodate a future sidewalk for pedestrians. The opening comes one week ahead of schedule.

In addition to the overpass, Roberts Road has new asphalt at the east and west ends of the bridge. The final layer of asphalt and pavement markings on the bridge and roadway will be placed in the coming months. In the meantime, temporary lane markings are in place.
