WESTERN WAKE FREEWAY PROJECT UPDATE

RALEIGH – Crews out on the Western Wake Freeway project in Cary continued concrete paving this week from Green Hope School Road and Green Level Road West and nighttime paving work along this stretch is still ongoing.

Work progressed this week as crews:

- Graded south of U.S. 1, south of Old Holly Spring Apex Road and north of Olive Chapel Road;
- Prepared the road bed for paving north and south of U.S. 64;
- Installed utility pipes south of U.S. 1;
- Continued bridge work at Carpenter Fire Station Road, Morrisville Parkway, Jenks Road, Beaver Creek, Beaver Creek Commons, the CSX railroad crossing and U.S. 1; and
- Continued hauling dirt from south of U.S. 1.

Next week crews are scheduled to:

- Continue concrete paving from Green Level West to Roberts Road;
- Continue to grade between Green Level Church Road and Jenks Road;
- Prepare the road bed for paving at U.S. 1;
- Install utility pipes south of U.S. 1;
- Continue bridge work at Carpenter Fire Station Road, Morrisville Parkway, Jenks Road, Beaver Creek Commons, the CSX railroad crossing and U.S. 1;
- Continue to install a storm drain pipe between U.S. 64 and Olive Chapel Road; and
- Continue hauling dirt from south of U.S. 64 to Olive Chapel Road.

North Carolina's first modern toll road, the Triangle Expressway in Wake and Durham counties, is an 18.8-mile toll road system. This new roadway runs from the N.C. 55 Bypass near Holly Springs to I-40 at N.C. 147 and is comprised of three projects: the Western Wake Freeway, the Triangle Parkway, and a portion of existing N.C. 540 between N.C. 55 and N.C. 54.
